## Find someone who ...

### Activity sheet

Follow the instructions on the right to find someone who matches the description:

- You must not move from your chair to find someone until the teacher says you can.
  - When you find someone who matches the description they must sign their name in the space provided.
  - You must have the activity sheet with you at all times.
  - A person's name can only appear once on the sheet.
- The first three students to find people to match the descriptions win.
